I received documents 1-2 years ago, and recently concerning this matter. Also for me to file objection, which I did and do object, against Lelchi, filing bankruptcy & taking my 1st priority to my Atty, Karmali, enclosed is a letter I wrote, and fax him. I do not have the 1st documents due me. I faxed him my letter of objecting the 1st time. Also the 2nd time, which is enclosed what I fax on a letter to him. This occur on August 16, 2007. I then received a letter from Atty Karmali, also letter enclosed. I then mailed a letter, and documents to Kurtzman Carson-Consultants 2335 Alaska Avenue, El Segundo CA 90245 which is also enclosed. office can not give me advice, due to their
representing Delphi Automotive System.
then ask the the documents back for the

them, if they can not help me.
I shall if. Justice mailed off every
documents in time. But I continue to
get mislead, misquided, delay tactic in
this case, etc. I hope I won't lose my case
claim against Delphi, due to their tactic.

this matter-case-claim.
I would appreciate it very much, if
possible if someone from your court
